#### SOCIAL SPACES

January 2018

#### OASIS: FAITH AND SPIRITUALITY CENTRE

April 2018

#### ENGINEERING INNOVATION CENTRE

March 2019

#### STUDENT CENTRE AND UNIVERSITY SQUARES

December 2020

- Creating a world-class campus made up of new buildings, green spaces and class-leading technologies and infrastructure.
- Attract and retain new talent.
- Develop cutting edge teaching, research and business engagement environments.
- Draw together the University and City like never before with a gateway and public square.
- Spark major regeneration and business investment into the city of Preston and the University Quarter.
- Reinforce the University's ties to the local community and create wider benefits for Preston and beyond.

# MASTERPLAN

INNOVATIVE THINKING  
FOR THE REAL WORLD

- £250m Investment
- Safety/Contractual/Legal/Timeline/PR/Ground Conditions/Architects/Electrical/Engineering/Planning/Funding/ Utilities/Value/Special Interest Groups
- Risk – Fear – Ignorance
- How do you make it different ?
- Provide solutions !!!

**Thank You**
